

WAGNER

PROSPRAY PS 20

STRONG. COMPACT. SIMPLE.

The ProSpray 20 is the most compact and robust pump in its class. Service is just as fast and uncomplicated as the operation. Even large projects are handled completely stress-free.

HEA | HIGH EFFICIENCY
AIRLESS

UP TO **55%**
LESS OVERSPRAY

WAGNER

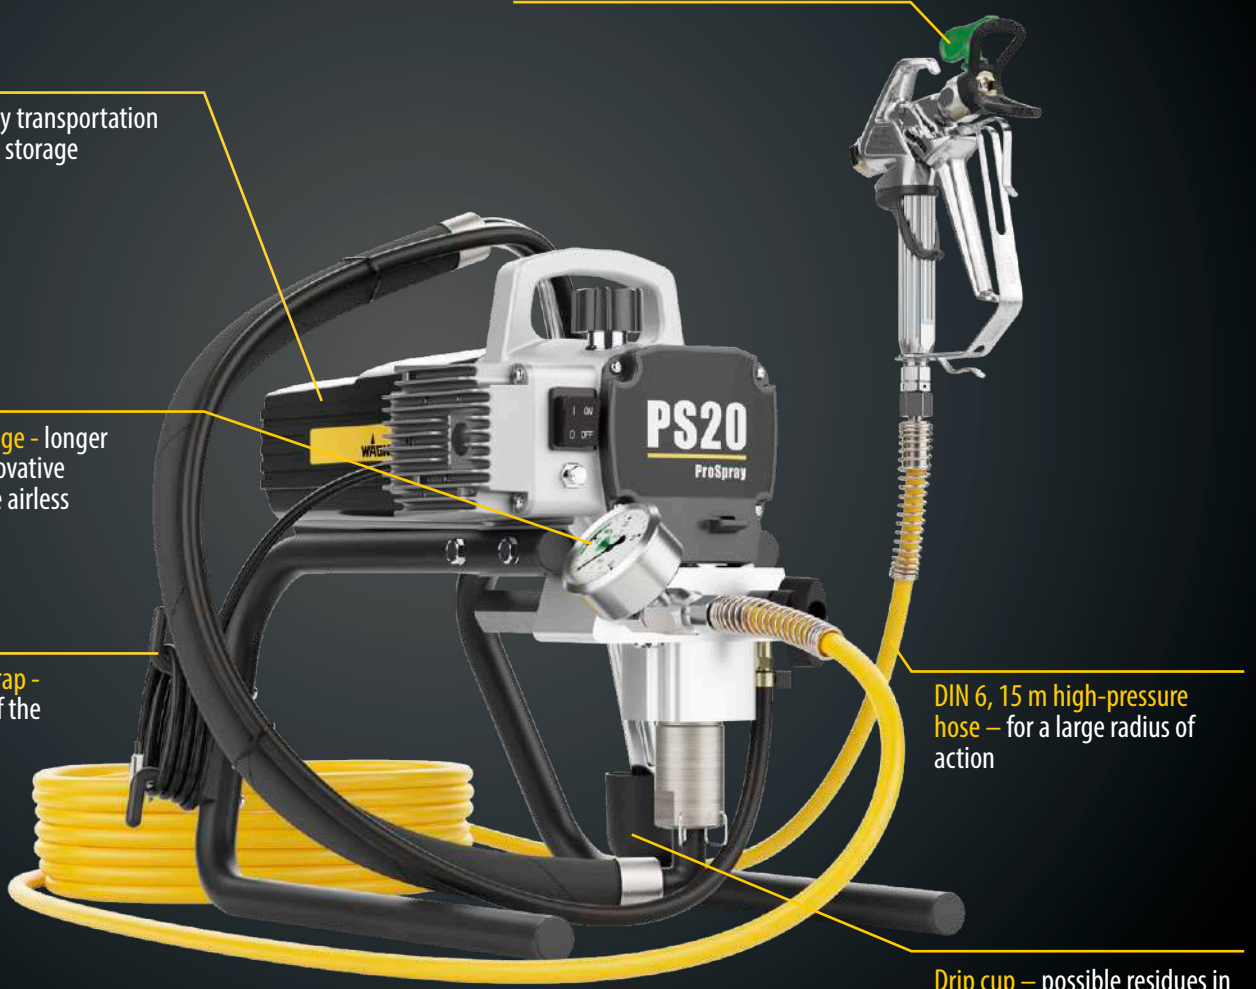

HEA 517 Tip – soft spray pattern and up to 55% less overspray

Compact - for easy transportation and space-saving storage

HEA Pressure Gauge - longer life thanks to innovative HEA low-pressure airless technology

Practical cable wrap - for tidy storage of the electric cable

DIN 6, 15 m high-pressure hose – for a large radius of action

Drip cup – possible residues in the suction hose can be captured during transport

HEA | HIGH EFFICIENCY AIRLESS

UP TO **55%** LESS OVERSPRAY

Technical Data

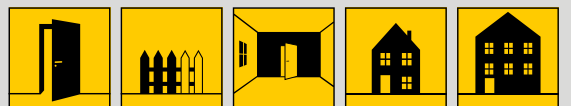

Motor Output	0,9 KW
Power requirement	230 V / 50 Hz
Max. operating pressure	21,4 MPa
Weight	23 kg
Max. tip size	0,021"
Max. delivery rate	1,6 l/min
Article number	2403 616

Included in delivery

- ProSpray 20 basic unit
- Vector Pro high-quality metal gun
- 15 m high-pressure hose
- HEA ProTip 517
- Gun filter
- Operating instructions
- Piston oil
- Manometer (HEA)
